

Bremerhaven ⇄ Regensburg, non-stop for your containers

Since 5 April 2020, the up-and-coming economic region of Eastern Bavaria also enjoys direct access to overseas: the new shuttle Bremerhaven ⇄ Regensburg opens up new opportunities for industry around Regensburg and in neighbouring Czechia.

On the new route, 4 shuttle trains per week and direction are in operation. The customers benefit from attractive transit times A-B/C and the well-proven full service in container handling.

With this new offer, ERS Railways is consolidating its network between the North Sea ports and the Bavarian region - together we create more intermodality.
